

## THE MOVEMENT BEGINS NOW

Starting April 2009 we will begin a 2-year program designed to water the seeds God has planted in your life so that you can reach your full potential for Him. The movement to equip, empower, and change your life begins NOW.

### ARE YOU IN?

When is the last time you can remember something being about you? The Movement is designed specifically with you in mind. It is our desire to provide you with every opportunity to learn, grow, and develop yourself in Christ. Knowing that, it

is now up to YOU to make the decision to commit, work hard at, employ, and allow Christ to transform your life. Join the team as we begin an exciting journey into a territory yet to be discovered. Join The Movement.
